We are running an end of season fun day consisting of a dressage test and a short marathon and cones competition.

The dressage tests are either pre-novice , novice , 1a or the 2017/18 indoor driving test .the arena will be 40/100 for the out door tests and 20/50 for the indoor test.

All pre-novice and novice drivers will have a harness check 30 mins before your dressage test.

Dress is marathon kit all day and grooms either sitting or standing and axels width is 125 cm, and body protectors are compulsory for the marathon and for under 18s at all times .

The stable field will be open Saturday but please note there is a wedding in the club house and it will not be open for us until Sunday morning , so please bring your own food for Saturday if you are staying over night .

The format is as follows :- you will drive your dressage test in the morning , the afternoon will be a 3.5km marathon with 3 hazards , there will be 10 pairs of cones set at 150cm between hazard 1&2 then another 10 pairs set between hazards 2&3.

The 3.5 km course will not be timed , pace to be walk or trot , cantering on the course will not be allowed .

Hazards will be timed as usual, and you may canter inside the hazards.

The cones encountered along the route will be penalized at 3 points per ball down.

The marathon route will take you through the water hazard on your way to hazard 1 .
